The best of French winemaking  
know-how combines with  
modern winemaking technology.

Skin-contact before pressing,  
Alcoholic fermentation at low  
temperature (14-15°C)

Fruity nose of peach, bananas  
and mango. The palate is well  
ballanced. A wonderful delicately  
wooded finish. A side order of

Louis Jordan's jumpin Jive  
completes the scene,  
«There ain't nobody here  
but us chickens!»

Serve chilled at 12°C.
